Age Group	Playing Time	Starters	Playing Different Positions
11U	As equal as possible amongst all players	Starters are picked on a rotational basis – all players start an equal number of games throughout the season (as equal as possible).	Every player will rotate playing an attacking position and a defending position in every game. Players willing to play GK will be rotated throughout the year and may receive more playing time in games they play GK (for ½ the game).

13U or State League Teams	Some players will begin to play more than others which may be influenced by the commitment to the team (attendance at practice/g	Some players may begin to start more games than others. This will be based upon skill level and commitment to team (will be outlined by coach at preseason parent meeting).	Players will begin to play a specific position. Players may still play other positions in various game situations (winning by a lot) but not necessarily in every game. Ideally a few players will begin to stand out as future GK's.
14U+	Players will play more than others	The starting line-up for each game will be based upon player commitment and performance. Some players may start every game and others may not or may take turns starting depending upon their weekly performance in training.	Players will play a specific position. In certain situations players may play other positions but they will typically have a specific role they will play on the team. Ideally the team will have two GK's.
